

Norms Followed for Fixing School Fee

The process of determining the school fee structure is guided by multiple key factors to ensure fairness and sustainability. The following norms are considered:

- Adherence to the guidelines set by the CBSE and the Government of Karnataka.
- The average pay scales for both teaching and non-teaching staff.
- Maintenance and development of school infrastructure and facilities.
- The financial capacity of parents to afford the fee structure.

These factors collectively help in formulating a balanced and reasonable fee that supports quality education while being mindful of stakeholders' needs.
