

ANNUAL REPORT 2025–26

“Education is not the filling of a pail, but the lighting of a fire.”

With this inspiring thought, a very pleasant morning to one and all gathered here to grace this grand occasion.

I, Ms.Ritu, Principal of Glentree Academy, Sarjapur, feel immensely honoured and delighted to present the Annual Report for the academic year 2024–2025.

I extend my heartfelt gratitude to our distinguished Chief Guest for gracing this momentous event. I cordially welcome our Founder and CEO, Mr. Vittal Bhandary; our Director, Ms. Preeti Bhandary; and our Mentor Principal, Ms. Sowmya (in absentia). I also warmly welcome our dedicated HO team, committed teachers, enthusiastic students, supportive staff, and our ever-encouraging parents.

Today, we gather to celebrate *“The Echoes of Time”*—marking **8 glorious years of excellence** at Glentree Academy, Sarjapur. Since our inception in 2018, our institution has steadily grown into a centre of excellence, redefining education through innovation, dedication, and a learner-centric approach.

With a balanced student-teacher ratio of 15:1, we ensure personalized attention and meaningful learning experiences. Our growth is a reflection of careful planning, consistent execution, and the strong partnership between students, parents, and educators.

“The purpose of education is to make good human beings with skill and expertise.”

This philosophy resonates deeply with our vision—**“Learning for Life.”**

At Glentree Academy, we strongly believe in **holistic development**, nurturing not only academic excellence but also character, creativity, and confidence.

We take immense pride in announcing that our school has been ranked **No. 1 in India under the CBSE Parameter Ranking for Integrated Learning by Education Today**. This achievement stands as a testament to the relentless efforts of our teachers, students, and staff.

Academic Excellence

Pre-Primary Wing

Our early years program focuses on building a strong foundation in a safe and nurturing environment, promoting cognitive, social, emotional, and physical development.

Primary Wing

Our primary curriculum fosters curiosity and exploration through modern teaching methodologies, project-based learning, competitions, celebrations, and virtual experiences. These formative years serve as the stepping stones for lifelong learning.

High School

At the high school level, we emphasize critical thinking, communication, and confidence-building. Through structured presentations, mentoring, and continuous assessments, students develop the ability to articulate ideas and think independently.

Our structured **TRAR cycle—Teach, Revise, Assess, Remediate** ensures continuous improvement and academic excellence.

Digital Learning & Library Enrichment

In today's digital era, *"Learning never exhausts the mind."*

Our students received hands-on training in Adobe Creative tools, unlocking their creative potential in design and storytelling.

We also expanded our library with **2,500+ new books**, fostering a culture of reading and intellectual curiosity.

Beyond the Classroom

Our **After-School Programs** offer diverse opportunities including Football, Chess, Abacus, Vedic Math, German, Robotics, Badminton, Guitar, Hip-Hop, and Keyboard—ensuring well-rounded development.

Through our collaboration with **Diya Robotics**, students gained practical exposure in content writing, graphic design, video editing, social media marketing, and financial management—bridging the gap between learning and real-world application.

Empowering Educators

We believe that empowered teachers create empowered students. Regular workshops, training programs, peer observations, and motivational sessions ensure continuous professional growth of our faculty.

Achievements & Milestones

Our **Investiture Ceremony** nurtured leadership qualities, giving students a platform to lead with confidence and responsibility.

We are proud to announce a **100% pass result in Grade 10**, a remarkable achievement that reflects dedication and perseverance.

Students also excelled in Olympiads such as IMO, ISSO, IHO, IGKO, and ICSSO, along with Spell Bee competitions, showcasing academic brilliance.

Sports & Co-Curricular Excellence

"Success is where preparation and opportunity meet."

Our students demonstrated exceptional talent in football and basketball, achieving commendable positions in inter-school competitions.

Events like **Talentia** and **Glenfest** provided platforms for creativity, innovation, and self-expression, while celebrations throughout the year enriched cultural awareness and joy of learning.

Experiential Learning

Our field trips and excursions transformed learning into real-life experiences. Visits to Vidhana Soudha, museums, and global virtual tours broadened students' perspectives and deepened their understanding of the world.

Looking Ahead

As we move forward, we focus on strengthening the **3Cs—Communication, Consistency, and Collaboration**.

We are also proud to introduce the **IIT/JEE Foundation Program** in collaboration with DR. ROAS Academy from the academic year 2025–26, empowering students with strong STEM foundations and preparing them for future challenges.

"The future belongs to those who believe in their ability to create it."

As we continue this remarkable journey, we remain committed to nurturing young minds, shaping responsible individuals, and reaching greater heights of excellence.

Thank you all for your unwavering support and trust. Together, let us continue to inspire, achieve, and grow.

Thank you.
